

**ANNEX I**  
**DECLARATION BY THE AUTHORITY RESPONSIBLE FOR**  
**MONITORING NATURA 2000 SITES**

Responsible Authority State Nature Conservancy of the Slovak Republic,  
 Lazovná 10, 974 01 Banská Bystrica  
 having examined the Project application Route I/66 Banská Bystrica – northern bypass  
 located in territory of Senica, Banská Bystrica and Sásová

We declared, that the project is not likely to have significant effect on a NATURA 2000 sites on the following grounds:

The project activities are located in the territory of Senica, Banská Bystrica and Sásová. The project objective is a construction of northern route bypass of Banská Bystrica.  
 There are no proposed NATURA 2000 sites – proposed SPA or proposed SCI – in the vicinity of the project area. The closest sites are located over 1 km far from the locality of the interest, pSCI Baranovo (SKUEV0299) - cca 1,5 km, pSCI Príboj (SKUEV0062) and nSCI Plavno (SKUEV0199) – cca 3 km (see the enclosed map).  
 The project activities are subjected to due procedures under national legislation, notably, territorial planning and building, in which nature protection interest were considered.

Therefore an appropriate assessment required by Article 6 (3) was not deemed necessary.

Enclosure: A map, on the scale of 1:50 000, indicating location of the project in relation to the proposed NATURA 2000 sites.
